Re: Certificate of Correction Pursuant to 35 U.S.C. 254
Patent No.: 7,319,992
Appl. No.: 09/964,224
Issue Date: January 15, 2008
Inventor: Maria Gaos
Our File: THMC-2006002

Dear Commissioner:

Applicants respectfully request a Certificate of Correction pursuant to 35 U.S.C. 254 for the above-identified patent.

In the specification on Page 9, Column 17, Line 39, the text "E-conamerce" should read "E-commerce" as written in the Amendment and Response dated March 21, 2005.

In the specification on Page 15, Column 29, Line 26, the text "STE" should read "STB" as written in the specification filed September 25, 2001.

In the specification on Page 17, Column 33, Line 16, the text "DIOS" should read "BIOS" as written in the specification filed September 25, 2001.

In the claims on Page 22, Column 44, Line 9, the text "function to the" should read "function of the" as written in the Amendment and Response dated July 31, 2006. Claim 4 should read as follows:

4. A system, comprising:
 - a memory storage device storing a participant profile generated as a function of background information, the participant profile including at least one of a participant identity and participant personal information;
 - an input/output arrangement communicating with the participant to obtain at least one of the background information and preference information, the input/output arrangement configured to present a virtual reality environment created as a function of at

least one of the participant profile and the preference information, the virtual reality environment including a virtual personal assistant which receives a request from the participant;

an artificial intelligence engine processing the request to generate request data as a function of the request and at least one of the preference information and the participant profile, wherein the request data is configured to restrict the transfer of the participant identity and the participant personal information via the communications network; and

a communications arrangement connected to at least one remote location via a communications network to obtain response data, the response data is a function to the request data and includes at least one of information, product data and service data.

Applicants believe the above listed errors were the responsibility of the Office and therefore a Certificate of Correction is warranted without payment of a fee.

We believe no fees need accompany this transmission. If, however, insufficient fee payment occurs, the amount may be withdrawn from Axios Law Group's deposit account. The deposit account number is 50-4051.

Should you have any questions, please do not hesitate to contact me at the number provided below.

Kind regards,
AXIOS LAW GROUP PLLC
